

Avenue **H**
Health Insurance Marketplace

Where small business shops for health insurance.

A new path to Utah's
best small business
healthcare solution.

Offering affordable health insurance benefits to employees has many small business owners facing an uphill climb. Avenue H is the first step in a better direction.

Head straight to AvenueH.com

Avenue H is an online health insurance marketplace designed to help Utah's small businesses control costs while offering expanded health coverage options to their employees.

With more options available in one place, Avenue H helps small business owners and employees with:

Expanded Choices

Employers can now offer many more health plan options, and employees can easily compare plans and providers to select the option that is best for their family.

Simplified Management

Employers contribute a set dollar amount toward each employee's health benefit. Employees get to choose between multiple plans, insurance companies and provider networks.

Controllable Costs

You can predict and contain health benefit costs from year to year.
